Ref.60688-1A2/55 dated 27--7--55.

Sir,

Sub: Bicycle -Government Headquarters Hospital,Mangalore purchase of a Seconc cycle -sanction requested.

I enclose a*copy of letter C.No.9668-A2/55 dated 4-7-1955 from the District Medical Officer, South Kanara and to state that under item 6 (3) of Appendix 7 of Madras Financial Code Volume II, sanction will be accorded by me for the purchase of a new "Hind cycle" from Sri Hind Cycle Ltd., Worlie, Bombay at a cost of Rs.141-14-0 excluding accessories and packing charges in repacement of the old condemned cycle of Government Headquarters Hospital,Mangalore.

2.In the circumstances stated by the District Medical Officer, I consider that the provision of a Second cycle in the Hospital is quite essential and request that the Government may be pleased to sanction the purchase of the Second cycle at the cost and from the firm mentioned above. Funds are available to meet the expenditure from the current years' budget allotment.

Yoursfaithfully,

for Director of Medical Services.

The cycle existing at present for the use of the District Medical Officer's office South Kanara Mangalore was purchased some 15 or 20 years back and has become unfit for use. During the last two years a sum of about Rs. 150/-was spent for the repair of this cycle and even then it is not in a working condition at present. The estimated cost of repairs to this cycle to make it work for the present is about Rs.75/- I do not think it worthwhile spending this sum in repairing this cycle as I am fully satisfied that even after getting it repaired the cycle will not serve for some months. I therefore request that I may be permitted to condemn the existing cycle of this office and auction it in a public auction. In place of this I request that sanction may kindly be accorded for purchase of two good make cycles for the use of this office. Since the peons have to take communications to the residences of the Paid and Honorary Medical Officers regarding the emergencies and S.I.list cases and to the police stations very often in addition to the local delivery of the office letters two cycles have been asked for in place of the one to be condemned, and may be sanctioned.
